

SETUP

- Shuffle the 15 Ice Cream Recipe cards into a face-down deck.
- Place the Ice Cream deck beside the other Recipe decks.
- Draw one Ice Cream card and place it near the main Recipe display, face up.

CAMEPLAY

In general, Ice Cream cards are treated like other Recipe cards. You may Prepare, Reserve, and Complete them as such.

When you Prepare or Reserve a Recipe, you may choose the face-up Ice Cream card from the display (following the usual rules).

Refill the Ice Cream Recipe display at the end of your turn, if necessary.

Note: If the Ice Cream deck is empty, ignore this step.
